Bernard Ecker, Public Works Contractor, provided the following information:

- Delco will be coming soon to complete setup at water plant
- North well had some issues, McAlister came out to repair problems, the control box was changed
- Will have McAlister come out to change the motor and pump, waited due to the water leak in the front of the plant
- Fix raw water leak in the front of the plant, Tuesday, November 8. George picked up a heavy wall plastic pipe from North Battleford, spoke to Brad, Tyler & Merle in regards to replacing the piece through the cement, the hole wasn't filled in for three day and there was leakage around the water line that was going into the water plant, the leak was repaired today, Lynanne had some extra cement that wasn't being used so some was placed in the area to help with the repair.
