BORDER PAWS ANIMAL SHELTER

The Village of Paradise Hill will NO LONGER be responsible for any stray animals taken in to BORDER PAWS ANIMAL RESCUE.

If you bring an animal in to Border Paws, you are responsible for the fees.

Government of Saskatchewan

On any block and in any neighbourhood, it only takes one house that is harbouring illegal activities to undermine the safety of all residents of that community and affect the property values throughout that neighbourhood. [The Safer Communities and Neighbourhoods Act](#) is intended to empower residents to take back their neighbourhoods by reporting problem residences or businesses that are habitually used for illegal activities. These activities could include drugs, prostitution, gang or criminal activities, child sexual abuse or the unlawful sale or consumption of alcohol. Please call the Safer Communities and Neighbourhoods Investigation Unit immediately.

Snow Removal:

- The Village reminds residents to remove any campers, trailers and extra vehicles from the streets and back alleys to help facilitate the removal of ice and snow in a timely manner.
- Do not park vehicles so they are blocking the street and hindering others from driving down that street.
- If you have a sidewalk by your property, it would be appreciated if you would keep your sidewalk clear of ice and snow to make it safe for residents to walk.
- Any questions or concerns regarding snow removal, please contact the office.
