RECYCLE BINS, TRANSFER SITE & DUMPSTERS:

The Village has noticed that some residents are not disposing of their garbage in the proper manner. Garbage in bags or piled loose can't be left outside or inside your property for long periods of time. Residents may review Nuisance Abatement Bylaw #07/2007 under "Governance" on the Village website. Also dumpsters on private property are not for residents to dump their household waste in. These dumpsters don't belong to the Village. Please utilize the recycle bins and the availability of intown garbage pickup.

If you prefer not to have in town garbage pickup, you have the option to take your garbage to the transfer site located north east of the Village. Garbage tags are required, but are available for purchase at the transfer site for \$2.00/tag.

Residents may be charged additional fees at the Transfer site for:

- Unsorted Waste (garbage) including loads with cardboard
- Non-combustible materials
- Large Items, furniture, appliances, electronics
- Unsorted Compost
- Uncovered or unsecured loads
