Be a Responsible Pet Owner!

- License your Dog
- Pick up after your pet. Dog & Cat waste is a health and environmental hazard
- Don't let you dogs/cats roam onto other peoples property

Dog License Fees: All dogs in the Village are required to have a license.

-\$35 for a new dog licence.

-\$35 for renewal Jan 1 - Feb 28. After Feb 28 renewal fee is \$40.00.

Dog Bylaw #02/2016 can be found on the Village website under "Governance."

CATS: The Village does not have a Cat Bylaw. They don't require a license.

Development/Building Permits:

Does your next construction project require a permit?

Many common improvements to your property require a permit:

- New builds (Fence, shed, garage or dwelling)
- Demolitions, repairs or alterations to an existing structure
- Moving structures on or off your property

You are required to have all applicable permits in place before any work has been started. For more information contact the Village Office.

Summer and Water Consumption:

During the summer months most water bills increase due to watering lawns, gardens & filling swimming pools. Sometimes high consumption comes from leaking toilets, taps or washing machines. A leaking toilet can use 100's of gallons of water and is usually the main reason for large steady increase in water consumption. The Village Office will contact you if we notice higher than usual consumption when reading your water meter.
